### **C&L Aerospace Purchases Beechjet Business from Global Parts**

*C&L is a One-Stop Solution for Beechjet 400 Operators*

BANGOR, Maine – C&L Aerospace, A C&L Aviation Group company, has purchased the Beechjet 400 rotatable parts program from Global Parts. As part of the transaction, C&L has acquired Global’s entire Beechjet rotatable inventory. All parts from the program are now stocked in C&L’s Bangor, ME warehouse and available for sale or exchange.

Parts from this purchase will bolster existing inventory and be used to support C&L’s robust Beechjet support programs. Highlights from the inventory include Pitch Trim Actuators, brakes, power supplies, and more.

“With this acquisition, MRO’s and operators have the ability to purchase all their Beechjet 400 parts in a cost-effective manner from one source,” said Marty Cooper, Senior Vice President of C&L Aerospace.

This inventory is inspected and has gone through a cataloging process which includes photographing and barcoding the parts and corresponding documentation making purchases faster, easier and more transparent for the customer. The inventory is now available for sale or exchange.
