

Brian Cox
Tempest Aero Group

Brian Cox joined ADMA in 2013 and has served on the Board of Directors since 2018. Brian also serves on the Strategic Planning and Scholarship committees for ADMA. He believes ADMA serves an integral function in the continued development and growth of the General Aviation market.

Brian serves as the Director of Business Development and OEM Sales for Tempest Aero Group. He is responsible for new business growth and partnership development for Tempest Aero Group's network of affiliated brands and companies, including Tempest, Alcor, Marvel Schebler, and Precision Airmotive.

Brian has a BS in Business Management from Georgia Tech and an MBA in Business Analysis from Georgia State University. Brian resides with his wife, Lindsay, in Atlanta, GA.
